

# PLAYOFF PROCEDURES

Game Rules & start times are the same as regular season matches,  
with a few important exceptions:

- You don't have to pay league dues during Playoffs;  
**You must still tip your bartenders for half-time drinks !!!**
- Any player that did not meet the minimum required games may not participate.  
(see the *Qualified Players List*)
- Playoff matches are a **race to 13**;  
**the first team to get 13 wins is the winner and the match ends there!**

All Playoff tiers are single elimination.

- There is a scoresheet specifically for Playoffs --- you will notice that *all 25 squares* are now numbered.
- You must play the games in numerical order! (No skipping & coming back later.)  
\*\*\* If there is an empty slot, you forfeit that game *as you come to it*.  
Don't forfeit games in advance!
- Substitutions work the same as regular season except you **can bring back someone who was subbed out, but only for games 21-25** \*\*\*  
\*\*\* They must stay in their *original roster slot*. (Please write players' initials.)

After the match is over:

- **Both team Captains must submit their scores !!!**  
\*\*\* Send a picture of your scoresheet via text to **669 - 786 - 4926**

**If there are any disputes or questions, call us at the league number above.**

*Good Luck to All !!!*
